Cah,

It's already time to start thinking about the 2024 Libertarian National Convention.

Make sure to block off Memorial Day weekend, May 23 through May 27, on your 2024 calendars as we gather at the Washington Hilton in the nation's capital. Look forward to additional details about a full schedule later this year.

You won't want to miss our biggest biennial celebration of Liberty, jam-packed with speakers, events, and community building with Libertarian activists from across the country.

We will announce details on the convention theme contest, early bird registration, vendor sponsorship, table registration, gala registration, and more soon.

Until then, let this serve as your first notice of what will surely be an exciting and historic 2024 Libertarian National Convention.

You can help us defray the upcoming costs of convention by donating today!
