Database Manager Report for July, 2023

See following time report.

Our **June** Amazon bill for CRM email services was **\$2.81** for almost **30,000** emails. This cost is recorded as an In-Kind donation by the Database Manager.

Our credit with MailChimp for email services has expired and we are no longer maintaining that account. Our free data storage with Amazon will terminate at the end of 2023.

Respectfully Submitted,

David Aitken
