And one of the Petitioners who will present also has very busy schedule and made themselves available. This is 6 eastern. Meaning 5 central. Petitioner has no objection to LNC going first. And there is zero requirement ENTIRE LNC be present. Neither region 4 person is on ExComm and a broken wrist does not prevent Watkins from attending if he wishes.

Main petitioner objects to continuance. All the signers have been notified and LNC could have submitted a Notice of Unavailability and did not

We have a VC who is not Mr. Watkins who can meet with donor.

If this is against bylaws time is of essence.

**Subject:** Re: Judicial Committee Hearing Re: LPWI and Region 1

Hello Judicial Committee,

Respondents are requesting a one-week continuance, please. I have a meeting set for this Wednesday night with a potential major donor that is very difficult to schedule and he is not available to reschedule any time soon, Mr. Watkins just broke his wrist about an hour ago and says he will not be able to attend, and Region 4 rep and alternate are both unavailable due to work commitments. We did not anticipate having less than 3 days' notice for the hearing. We would appreciate a continuance very much.
