Election Results:

- Triple last time (4 years before) – 5k to 15k to 45k
- Next few days – count every vote – go to BofE in your district, bring copy of Pollwatcher Certificate with Axinn's letter (to be distributed)
- If we don't make 50,000 after absentee ballots, we still had the most successful petition drive and campaign in the LPNY history – spin the positive
- Letters to candidates about recanvassing – did candidates receive letters? If so, they should be scanned and distributed to the LPNY

Credico Lawsuit (G Donoyan):

- Preliminary injunction granted, LPNY/Donoyan working on getting case settled with declaratory judgment to permit one box per candidate and party and attorney's fees
- Any issues related to recount would be a new case, not added to the Credico case

Fundraising:

- Axinn to draft another letter to all LPNY members to renew membership and make additional

contributions

- Suggested that we reach out to all national LP members to promote the LPNY and gather contributions (success of Warren's campaign, etc.)
- Jim volunteered to stuff envelopes and deal with the mailing
- Jeff to generate labels
- Total # of LPNY members and national members in NY State: about 800

- Mike/Suffolk to discuss Monday night (Nov 8) whether or not they can host it
