FRAN YOUNGSTEIN SPEAKS - #1

YOUNGSTEIN

Hi, I'm Fran Youngstein, Free
Libertarian candidate ^{for} of Mayor of
New York. I want your vote.

So I'll make you an offer.

Vote for me, and I promise I'll
leave you alone.

I won't tax you to pay for
something you don't want.

I'll let you run your own
neighborhoods, your own schools.

I'll work to repeal laws that
prevent you from ^{enjoying} ~~living~~ your own
life style -- laws restricting
abortion, drug use, contraception.

Laws restricting what you can't
do with your own life or your own
property.

I'll keep City Hall out of your
private lives.

YOUNGSTEIN (Continued)

I'll let you live your own life,
the way you want to, the way you
have a right to, and I will bust
anyone who restricts or abuses that
right.

I promise nothing that I can't
deliver, and I mean it.

I'm the only candidate on the
ballot who can deliver to you a fair
trade for your vote.

Vote for me, Fran Youngstein,
Free Libertarian candidate for
the Mayor of New York.

(MANDATORY)
