## Database Manager Report for October, 2023

See following time report.

Our **September** Amazon bill for CRM email services was **\$4.13** for about **40,000** emails. This cost is recorded as an In-Kind donation by the Database Manager.

Our credit with MailChimp for email services has expired and we are no longer maintaining that account. Our free data storage with Amazon will terminate at the end of 2023. Our domains managed by Google will be moved to Squarespace sometime soon.

Respectfully Submitted,

David Aitken  
Database Manager
