

## Resolution to Reorganize and Reconstitute LPNH

Whereas the Libertarian Party is a libertarian political entity separate and distinct from all other political parties or movements; AND

Whereas the bylaws of the Libertarian Party of New Hampshire state the purpose of the Party is to give voice to the Statement of Principles by:

1. Nominating and supporting candidates for public office;
2. Promoting, chartering, and coordinating local Libertarian organizations;
3. Entering into political and/or educational activities; and
4. Supporting activities of the National Libertarian Party.; AND

Whereas the Libertarian Party of New Hampshire has been a target of a self-titled “takeover” of the Libertarian Party; AND

Whereas the Communications Committee of the Libertarian Party of New Hampshire has repeatedly used social media to undermine libertarian principles with shock-and-awe posts intended to get likes and shares; AND Whereas the Chair and Executive Committee of the Libertarian Party of New Hampshire have failed to prevent or reign in this activity; AND

Whereas the Bylaws of the Libertarian Party of New Hampshire require the Executive Committee to maintain a Policy Manual; AND

Whereas the Executive Committee has failed to produce such document; AND

Whereas the Bylaws of the Libertarian Party of New Hampshire specify that a detailed notice of the annual convention be sent to dues-paying members no later than 35 days prior to the first day of the convention; AND

Whereas such notice is to include access to the reports from the Bylaws & Rules Committee and the Platform Committee; AND

Whereas such notice was not sent to members prior to the 2022 Annual Convention; AND

Whereas the reports from the Bylaws & Rules Committee and the Platform Committee were published in a facebook group 17 days before the start of the 2022 Annual Convention; AND

Whereas some members of the Party are not members of the facebook group; AND

Whereas the Executive Committee of the Libertarian Party of New Hampshire has failed to publish meeting Minutes in a timely manner; AND

Whereas Minutes from their meetings are often lacking the wording of motions being adopted; AND Whereas RONR 12th Edition is the current parliamentary authority; AND

Whereas RONR 48:2-6 specify the general parliamentary requirement for content of minutes; AND Whereas RONR does not specify a penalty for violations of bylaws; AND

Whereas the Libertarian Party of New Hampshire’s Bylaws authorize the use of electronic methods of communication for a convention in cases where delegates aren’t able to gather in one place; AND

Whereas the ongoing COVID-19 pandemic makes in-person gatherings increase the risk of catching and spreading COVID-19;

Be it Therefore Resolved that the undersigned, members of the Libertarian Party of New Hampshire, call for an electronic meeting to be held between on March 12, 2022; AND

Be it Therefore Resolved that the undersigned will invite any person who was a Delegate to the 2020 LPNH Annual Convention or a member in good standing prior to the 2021 LPNH Annual Convention;
