Thanks, Joe, for your quick response. I wanted to make sure you saw this, since it seemed Ms. Harlos believed she had copied you. I suspected that you wouldn't want to respond, but of course I needed to be sure.

I acknowledge receipt of this message and after quickly reviewing the documents, I believe the various allegations she makes against the LNC are from the period after my resignation as LNC Chair. While I certainly have much I could add, they'd be hearsay, repetitive, or irrelevant to the issues before you. Unless the JC has specific questions for me, I'll not waste your time with a filing.

Joe

I did not have the email from Ms. Harlos in front of me when I spoke to Dr. Ruwart on the phone. At that time I recalled Ms. Harlos made some accusations against Mr. Bishop-Henchman in her petition and assumed she wanted him as a named respondent when Dr. Ruwart asked me for his email address. Looking more closely at Ms. Harlos's email now I believe she intended to send it to Ms. Bilyeu but it was misaddressed by gmail because of all of the email traffic to/from that email address when Mr. Bishop-Henchman was chair.

Ms. Harlos's PDF said:

Copies to: Whitney Bilyeu, Chair; Ken Moellman, Vice-Chair

Ms. Harlos's email was addressed to:

Joseph Bishop-Henchman <[chair@lp.org](mailto:chair@lp.org)>, Ken. Moellman <[vicechair@lp.org](mailto:vicechair@lp.org)>

Sorry I did not catch this earlier.

In liberty,  
Dr. Chuck Moulton

Since Ms. Harlos sent your copy to [chair@lp.org](mailto:chair@lp.org), I thought you might not have received this. As Chair of the JC, I am forwarding this to you in case you would like to respond. You have 7 days from receipt of this message to do so. Let me know if you have concerns or questions.
