**DECISIONS**

Keep logo as it is.

**CONVENTION AGENDA**

Agenda is drafted and open for ideas/changes, in particular, new business.

**BYLAWS**

Only change that needs to be made is the wording for dues in which we will not set dues at this point. Also waiting for full list of those interested in being officers in case we need to make provisions in the bylaws.

**CONVENTION POSTCARD/LETTER**

Post card has been drafted. I am just waiting for an updated list from the Board of Elections. I will most likely do a letter for LPNY members and include the agenda.

**APPAREL**

I am going to be getting prices for apparel to get an idea of what they will cost. They will go on the website in a CCLP store. See conversations on this page regarding colors/art. Hopefully we will have it finalized so we can start taking orders by the time of the convention.

**CHRISTMAS PARADE**

I sent another e-mail to see if there is more information on the parade. We will be needing to figure out what kind of banners we want, what they say, as well as the literature to hand out. Of course we will be discussing this through November, so we have time to think about these.

**ANNOUNCEMENT**

I will submit the announcement for the convention to the papers for the week of September 21st to get it in there just before the convention. We will also have prepared a convention article, for post-convention. See convention announcement discussions to give your input on what these should say.

**NEWSLETTER/BLOG**

E-mail newsletter is designed. I think it will be best for the e-mail newsletter to serve as a monthly digest (perhaps sent after each meeting). The blog can be updated continuously with news and articles submitted by members.

**FINANCIAL STUFF**

I set up a Paypal account for the CCLP so that we can link it to a donate button on the website as well as take payments for CCLP gear (like apparel for now). Whoever wants to run for treasurer, this will be part of it. I can continue working with the website aspect of it.

**WEBSITE**

I am working on a new website with Wix. If anyone has any ideas, let me know. Need images.
