

T LIBERTARIAN PARTY OF NEW YORK

LPNY Selects National Convention Delegates

Dear Friends and Fellow Libertarians,

The Libertarian Party of New York is pleased to announce its delegates to the Libertarian National Convention, to be held in Austin, Texas from May 21 through May 25, 2020!

The rules of the national Libertarian Party set each state's allocation of delegates to the Libertarian National Convention. New York is allocated 48 delegates in total, the fourth largest delegation overall. All Libertarian Party presidential campaigns were responsible for submitting to the New York Board of Elections a list of delegates and alternates from each of New York's 27 congressional districts, leaving 21 delegates and their alternates to be selected by the LPNY.

Last September, the LPNY put out a public call for statements of interest from those who wished to represent New York at the LP National Convention. Once it became clear that Jacob Hornberger was the *de facto* winner of our primary, the LPNY was able to proceed with selecting those interested delegates and alternates who were not already selected by the Hornberger campaign. The list of primary delegates and their alternates selected by the LPNY appears below.

The list of Hornberger delegates and alternates as it currently stands also appears below. The Hornberger campaign is reaching out to their delegates and alternates to confirm interest. We expect the Hornberger campaign to release an updated list soon. We will share it with you as soon as it is available.
