Additional Storage Unit funds

Dear Members,

I'm writing to share with you the progress and updates we've made throughout the month of June 2023. It's been an exciting month full of lively discussions, strategic decisions, and ongoing community outreach that is steadily driving the Libertarian Party of Colorado (LPCO) forward.

### Media Engagement

Early in the month, I had the pleasure of representing LPCO on the Classical Liberal Caucus podcast. During the session, I defended our party strategy, and the hosts were unable to offer any substantial rebuttals to our points. Here's a summary of the key points made:

1. **\*\*Non-Endorsement Policy\*\***: I reinforced our commitment to not endorsing any candidates, which is central to preserving the party's integrity and upholding our principles.
2. **\*\*Bylaws Compliance\*\***: I stressed that all our actions have been strictly within the parameters of the party's bylaws.
3. **\*\*Relationship with Colorado Republicans\*\***: I stated that it is worth considering extending trust to the Republicans in Colorado, in light of the current political landscape.
4. **\*\*Starting Local\*\***: I strongly advocated for the importance of beginning a political career at the local level, as it provides a more in-depth understanding of community issues and effective avenues for addressing them.

### Porc Fest Participation

I had an incredibly rewarding experience representing LPCO at Porc Fest. I spoke with many individuals about our new LPCO strategy and was delighted to find that the attendees were not only receptive but also supportive of our plan. This festival served as a powerful networking opportunity, and I believe we've made significant strides in extending our outreach.

### Administration and Governance

In a commitment to transparency and accountability, I've updated the annual minutes to include vote totals. These totals were available as links to external spreadsheets with the information, but to comply with Robert's Rules I have added them to the minutes directly. This effort enhances our administrative accuracy and gives you, our members, a clear and easily accessible record.

### In Conclusion

I am incredibly proud of the strides we've made in June, and I look forward to maintaining this momentum. In July, I plan to further promote and uphold Libertarian principles throughout Colorado, backed by the unwavering dedication and support of you, our valued members. Thank you for your continued commitment to our vision of liberty.

Andrew Buchkovich  
Secretary, Libertarian Party of Colorado

## **OUTREACH REPORT**

July 2023

Outreach Director: Kirsten Steinke

### **Article VI, Section 3, of the Bylaws of the Libertarian Party of Colorado:**

“The Outreach Director shall be responsible for booking and running outreach booths and community events, and for maintaining outreach materials. The Outreach Director may establish and manage committees (including the appointment of any committee chairs) to perform these and other outreach functions.”

---

#### Progress:

In June I attended two Liberty on the Rocks. The data from each is outlined in the spreadsheet.

We also began the process of updating the content on our current website, both in terms of copy and ability to track events. This is a bigger project with input from many of the board members. Ultimately, from the outreach perspective, the site will be more intuitive and easier to donate, find events, and be reminded of events before they occur. This will address the current issue where local liberty minded individuals are informed of activities the day of, which does not work for many people's schedules and decreases attendance and fundraising.
