Becoming a Delegate to the March 10 LPM Convention

By Emily Salvette, LPM Secretary

The Libertarian Party of Michigan State Convention will be held on Saturday, March 10, near East Lansing. This convention will select our state’s delegates to the Libertarian Party National Convention in New Orleans on July 1-3, 2018, and possibly pre-endorse the LPM’s 2018 candidates for Secretary of State, Attorney General and/or Supreme Court.

To vote at the March 10 convention, you must be selected as a delegate or alternate by a local group. Per the LPM Bylaws adopted last year, delegates to state conventions are now selected by local affiliates or, where no affiliate exists, area caucuses set up by the state Libertarian Executive Committee. The LEC has asked the state credentials committee to organize these caucuses in unaffiliated areas. The schedule of caucuses including the delegate allocation per affiliate or area is set forth below. Caucuses may vote to send up to that number of delegates to the convention and may choose an equal number of alternates.

March 10 Caucuses to Select LEC Representatives

By Bill Hall, Chair

Under our Bylaws, the state convention delegates from each Congressional District select a representative to the Libertarian Party of Michigan's executive committee at each odd-year state convention. If a representative resigns before the end of their two-year term, then the caucus meets at the next scheduled convention to elect a replacement to complete their term.
